Awake, awake out of sleep!

Awake out of slumber!

Awake out of doubt!

God's tender touch awakens me.

Awake, God awakens me.

Awaking to the solace of His morn, the peace and quiet of His dawn,  
the tender touch of His omnipotence, is heard in the leading of His voice.

The irradiance of Life shines so bright, filling thought with the warmth of His love.  
The armor of Love embraces me, leads me, protects me, defends me.

Awake, awake out of sleep!

Awake out of slumber!

Awake out of doubt!

God's tender touch awakens me.

Awake, God awakens me.

Darkness flees

Fear subdues

Night abates

Doubt dissolves

The night is far spent, the day is at hand!

Awakened in the light of Love, I step into the day of His making.  
Seeing His creation pure and free, being His perfect child immediately.

Awake, awake out of sleep!

Awake out of slumber!

Awake out of doubt!

God's tender touch awakens me.

Awake, God awakens me.

Awake. Awake. Awake. Awake.
