O, great God in heaven above,  
Speak to me in words of love.  
Help me feel Your presence here,  
Let me feel Your presence near.

O, great God in heaven above,  
Speak to me in words of love.  
Help me feel Your presence here,  
Let me feel Your presence near.

O Spirit, make me as one healed,  
Others have been touched by Your dear love.  
May not I, too, walk this day,  
In perfect freedom 'long the way?

What is needed to help me feel  
Surrounded in Your comforting arms?  
Could it be more faith, more trust?  
Then from my feet wipe Adam's dust!

O, great God in heaven above,  
Speak to me in words of love.  
Help me feel Your presence here,  
Let me feel Your presence near.

O, great God in heaven above,  
Speak to me in words of love.  
Help me feel Your presence here,  
Let me feel Your presence near.

Lift my head, wipe away my tears,  
Open up my eyes and cleanse me from fear.

Show me, Father, Your sure power,  
Show me, dear Mother, in this hour.

The glow of Christ breaks through the clouds,  
I see the radiance of God's clear light!  
This is the very hour: I feel Your all-surrounding power!

O, great God in heaven above,  
I know Your almighty love.  
I feel now Your presence here!  
I feel now Your presence near!
